

Flight emissions – UK staff and ICS

2012-13 emissions figures

Flight emissions (tonnes CO2 equivalent):

Year	UK staff	ICS flights
08-09	109.44	n/a
09-10	115.52	n/a
10-11	137.22	n/a
11-12	70.13	447.51
12-13	88.32	719.52

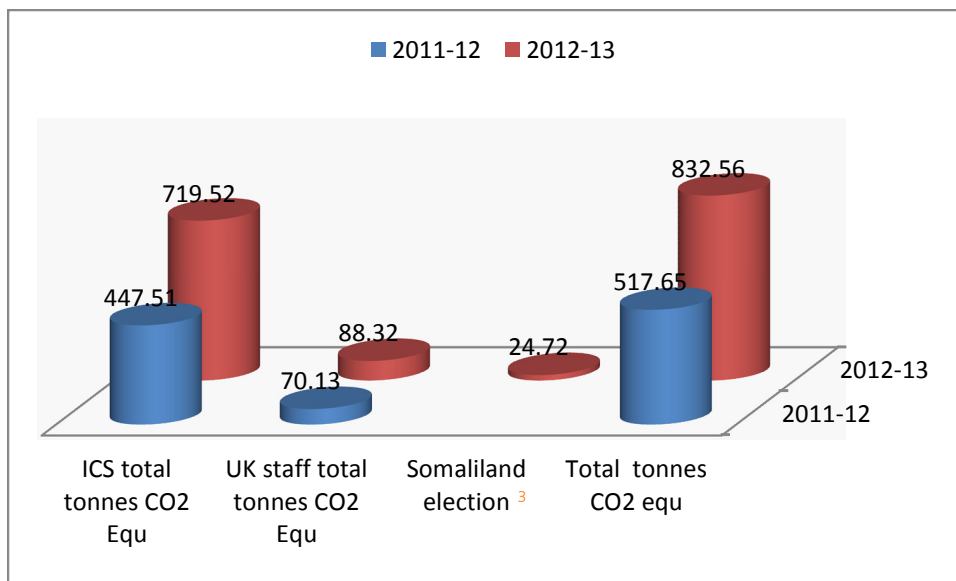

Notes:

¹ ICS (International Citizen Service) is a UK government funded development programme. Progressio is one of a consortium of UK development organisations delivering the programme. During 2011-12, Progressio organised return flights under the ICS programme for young adult volunteers from the UK to El Salvador, Honduras, Malawi, Nicaragua and Zimbabwe.

² International flights taken by UK-based Progressio staff.

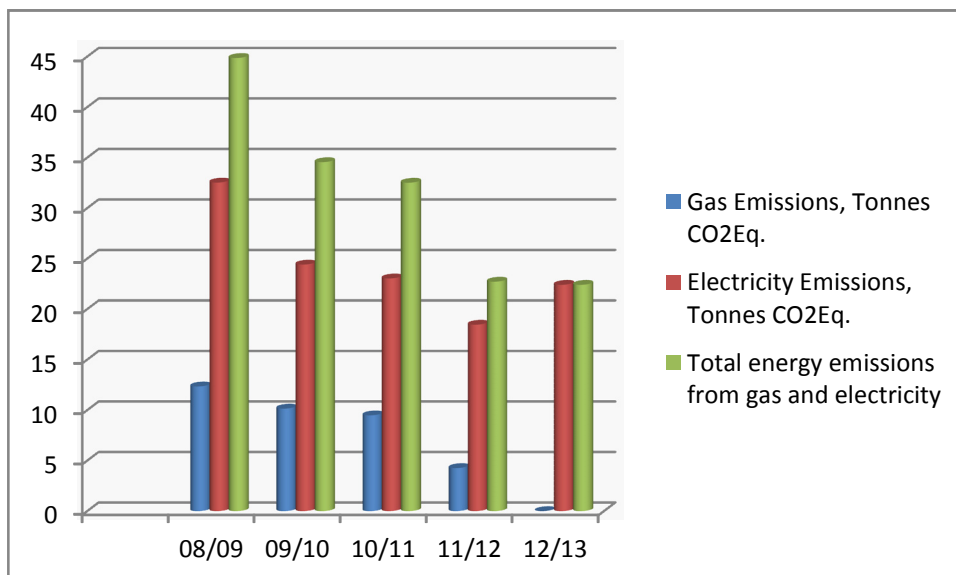

³ Progressio booked return flights to Somaliland for members of an international election observation team covering the November 2012 Somaliland elections.

Flight emissions – 2012-13 compared to 2011-12

	11-12	12-13
ICS flights	447.51	719.52
UK staff	70.13	88.32
Som'ld election	n/a	24.72
TOTAL	517.65	832.56

Office emissions

Office emissions (tonnes CO2 equivalent):

Year	Gas	Elec	Total
08-09	12.34	32.52	44.86
09-10	10.14	24.40	34.55
10-11	9.48	23.03	32.51
11-12	4.26	18.45	22.71
12-13	0	22.40	22.40

Note:

In 2012/13 our UK head office moved to a different building supplied by electricity only.
